ABOUT THE INSTITUTIONS

ASIA SOCIETY MUSEUM

Asia Society is the leading educational organization dedicated to promoting mutual understanding and strengthening partnerships among peoples, leaders and institutions of Asia and the United States in a global context.

The Asia Society Museum, located just around the corner from Hunter on Park Avenue and East 70th Street, exhibits traditional, modern and contemporary Asian and Asian American art. The Museum is a Hunter College cultural partner and all Hunter students, staff, and faculty receive free museum admission and discounts to select programs and events.

GIBNEY DANCE

Gibney Dance, founded in 1991, is a trailblazing organization whose mission is to bring the possibility of movement where it otherwise would not exist. Through three interrelated fields of action—Center, Company, and Community Action—Gibney Dance is “Making Space for Dance” in studios, on stages, and in underserved shelters and schools. Gibney Dance is Hunter’s newest cultural partner.

(LE) POISSON ROUGE

(Le) Poisson Rouge is a multimedia art cabaret founded by musicians on the site of the historic Village Gate. Dedicated to the fusion of popular and art cultures in music, film, theater, dance, and fine art, the venue’s mission is to revive the symbiotic relationship between art and revelry; to establish a creative asylum for both artists and audiences. (Le) Poisson Rouge is a Hunter cultural partner.

THE NEW 42ND STREET / NEW VICTORY THEATER

Hunter cultural partner The New 42nd Street leads the dynamic evolution of the reinvented 42nd Street. By spearheading the renewal of 7 historic theaters, by creating unique innovative cultural institutions and by building a home for nonprofit arts organizations in the heart of Times Square, The New 42nd Street ignited a transformation that makes Times Square the iconic and family-friendly entertainment destination it is today.

Now in its 21st season, The New Victory Theater has been New York City’s premier performing arts venue devoted to kids and families since 1995. Located on 42nd Street in Times Square, The New Victory presents theater, dance, circus, opera and music from around the world to young New Yorkers, their families and schoolmates.

THE PUBLIC THEATER

The only theater in New York that produces Shakespeare and the classics, musicals, contemporary, and experimental pieces in equal measure, The Public serves as an advocate for the theater as an essential cultural force in leading and framing dialogue on important issues of our day. These core democratic values, set in place by its visionary founder, Joseph Papp, inform all aspects of The Public’s activities.

The Public engages one of the largest and most diverse audiences in New York City in a variety of venues—including the Delacorte Theater in Central Park; its landmark downtown home, which houses five theaters and Joe’s Pub; and the Mobile Shakespeare Unit, which tours Shakespearian productions for underserved audiences throughout New York City’s five boroughs. The Public Theater became a Hunter cultural partner last year.
